

We've enhanced your invoice experience with secure digital payments.

We're pleased to inform you that we've upgraded to a new, secure payment service, IRIS Pay. This change is part of our ongoing commitment to improving our service for you.

Pay Online!

Select **Pay Online** at the bottom of our invoices to access a fully digital and secure payment experience.

Payment options include

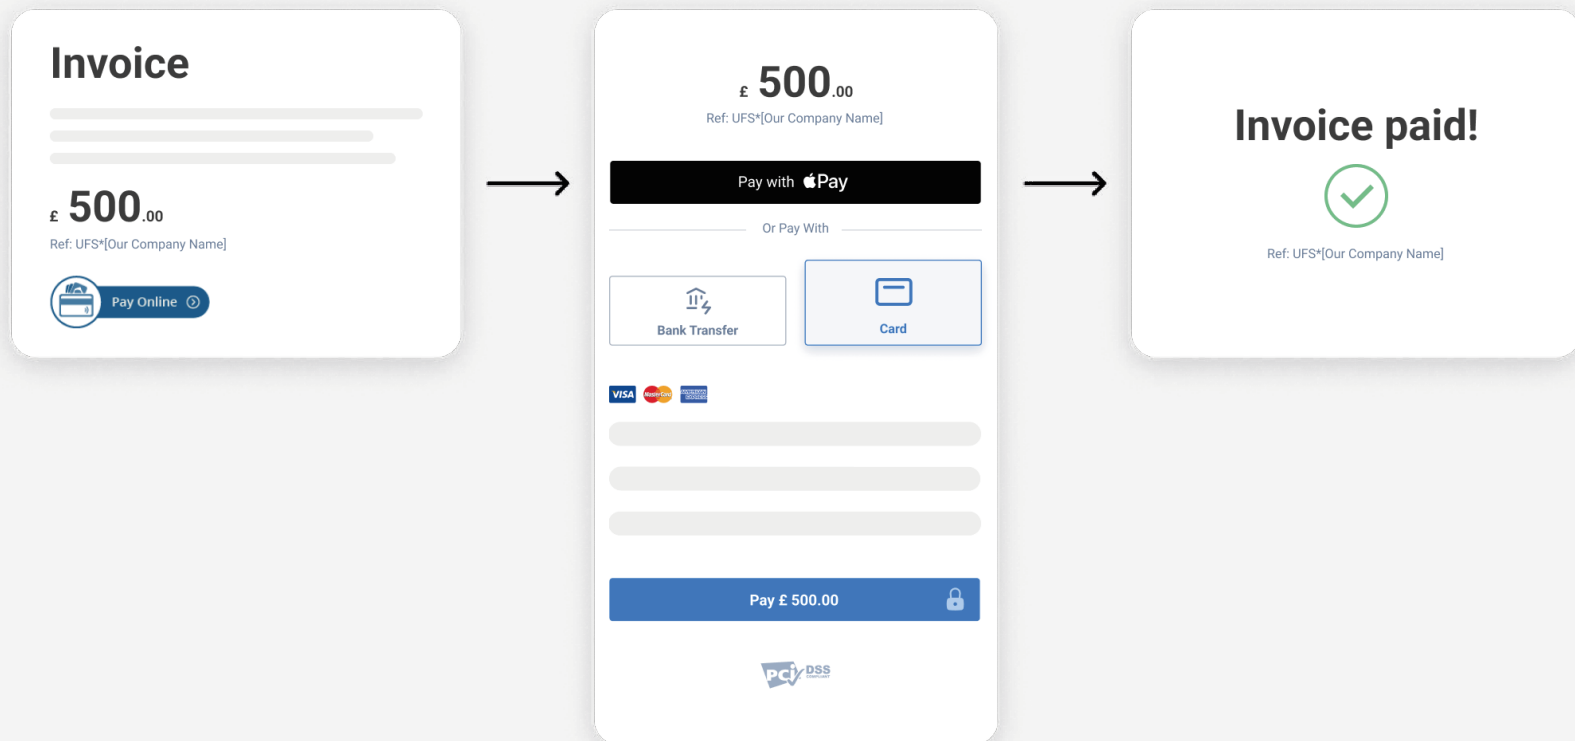

- All major credit and debit cards
- Mobile Wallet (Apple Pay, Google Pay)
- Instant Bank Transfers
- Direct Debit

This upgrade brings faster processing, enhanced security, and more payment options. Payments are linked directly to invoices, helping to avoid errors.

How it works

1. You will receive an invoice with the option to **Pay Online**.
2. You can then select your preferred payment method.
3. Once payment is completed, you'll receive an online confirmation and reference number, with the payment instantly recorded in our system.
