

Subject: Order school meals using IRIS BioStore Bookings

Dear Parent or Carer,

We're pleased to announce we are now using IRIS BioStore Bookings — an online cashless ordering system for school meals.

With IRIS BioStore Bookings, you can:

- Order and pay for meals
- Top-up dinner money account balances
- View previous orders and payments you have made

#### What you need to do?

To use IRIS BioStore Bookings, log in to your IRIS ParentMail account or use the app, and go to **Accounts**.

The first time you use a student's account, you will be asked to sign into IRIS BioStore Bookings using the same account details you use for IRIS ParentMail.

For more information or if you need help using IRIS BioStore Bookings, visit the [help centre](#) or contact our office.

Yours sincerely
